Each note of a chord fuses; each color of a rainbow blends. They bear little resemblance to the Class of 1977. It was held together only by sheer cussedness and circumstance. The search for some unity among its members was nearly fruitless. They persisted in virtuoso performances. The tie that binds can only be diversity.

The Class of 1977 presents an original composition, a symphony of unrestrained variations and tones, played by an orchestra of soloists.

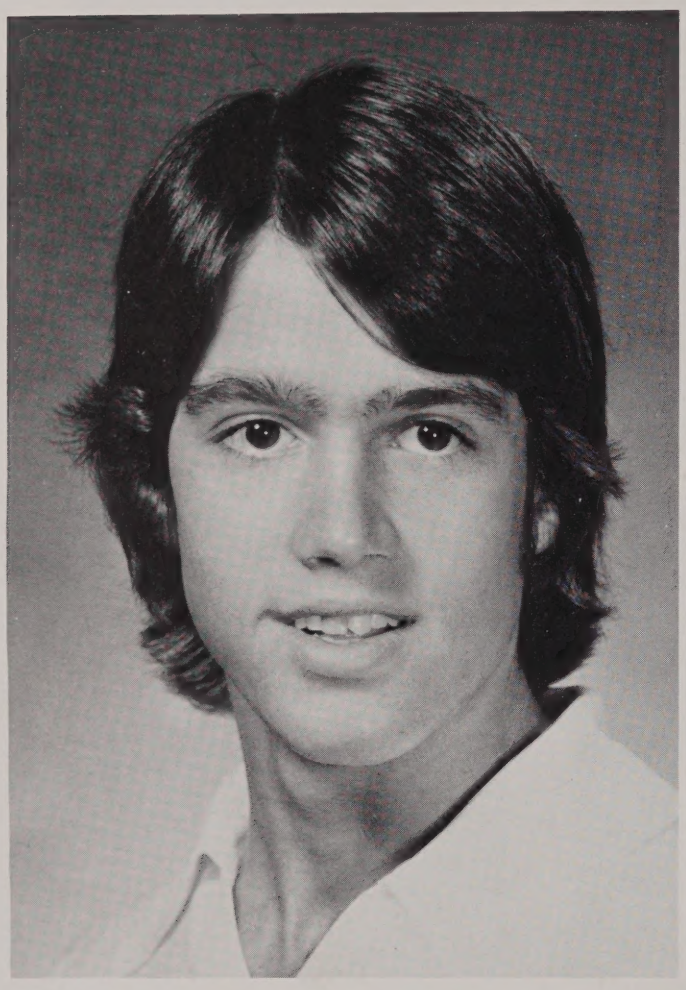
IN MEMORIAM

Walpole High School Class of 1977 wishes to extend its deepest sympathy to the families of Tony Lamperti and Robin MacPherson. We regret that Tony could not be with us at graduation.



Anthony W. Lamperti

Robin MacPherson

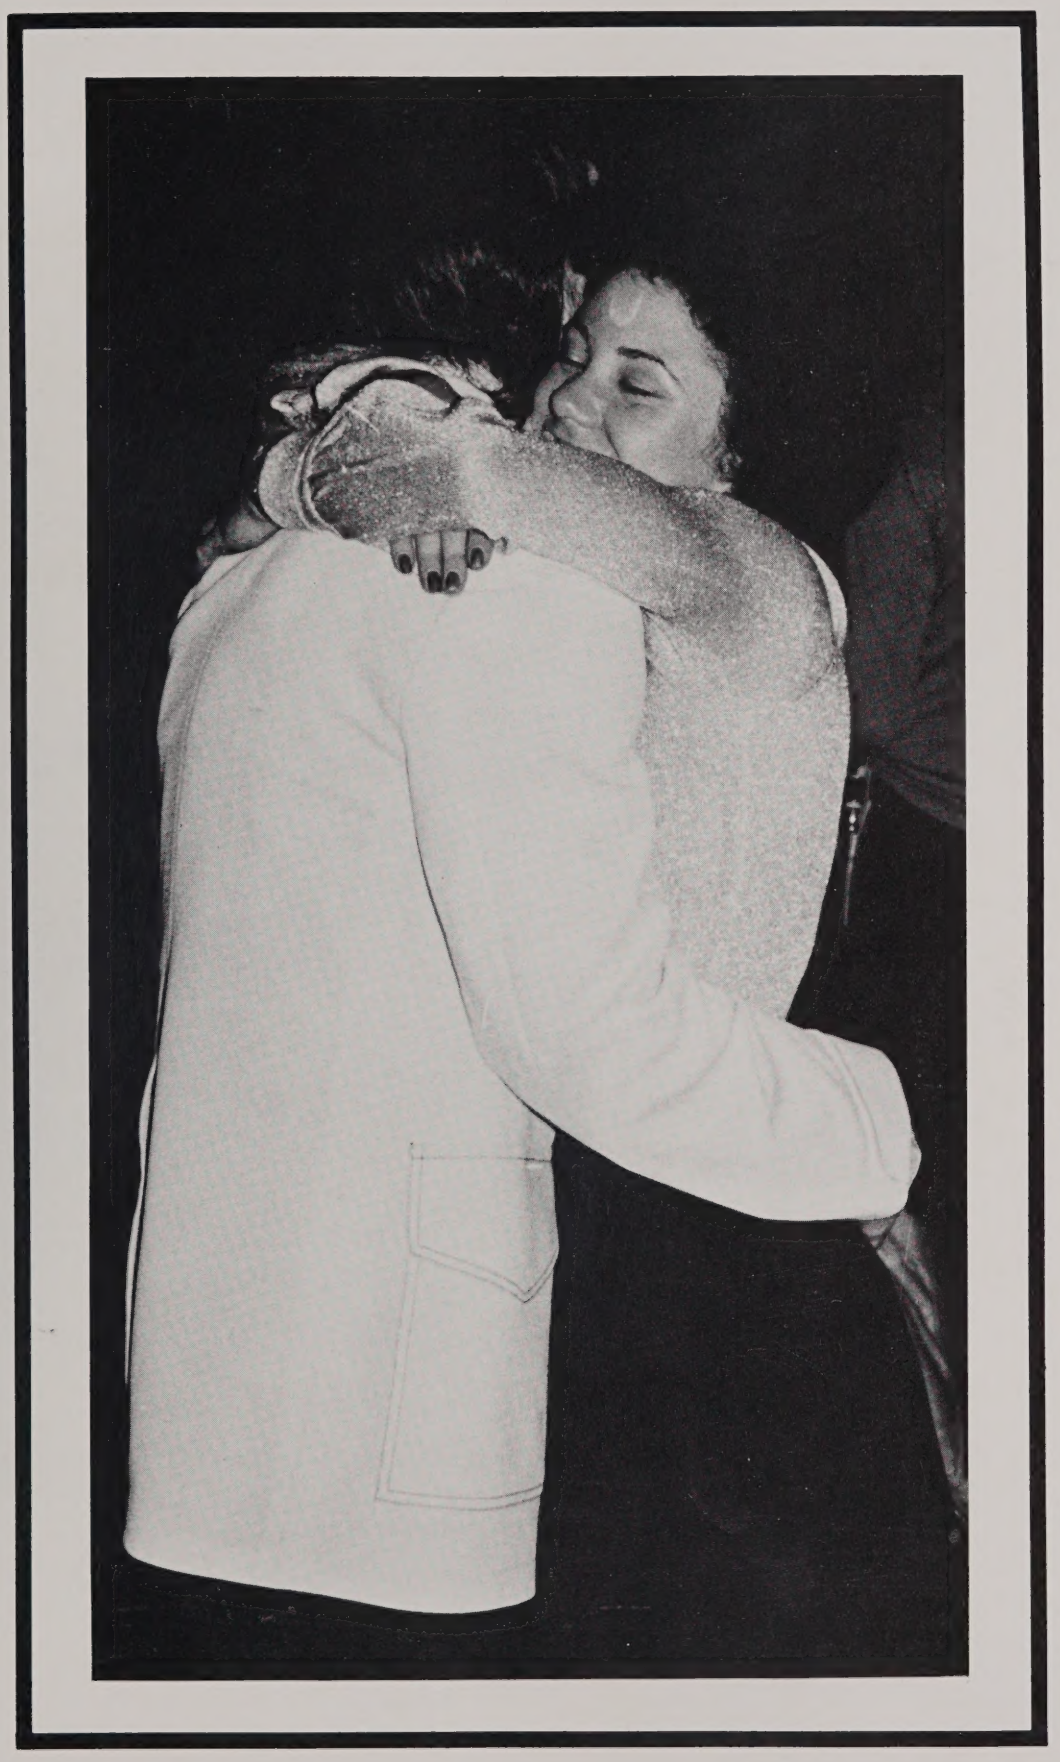
Remember the day when we first met, there were things to cherish and never to forget.
We called them memories and even called it love, until someone took us and called us from above.
He broke us apart from where we stood, but not because He wanted but because He thought He should.

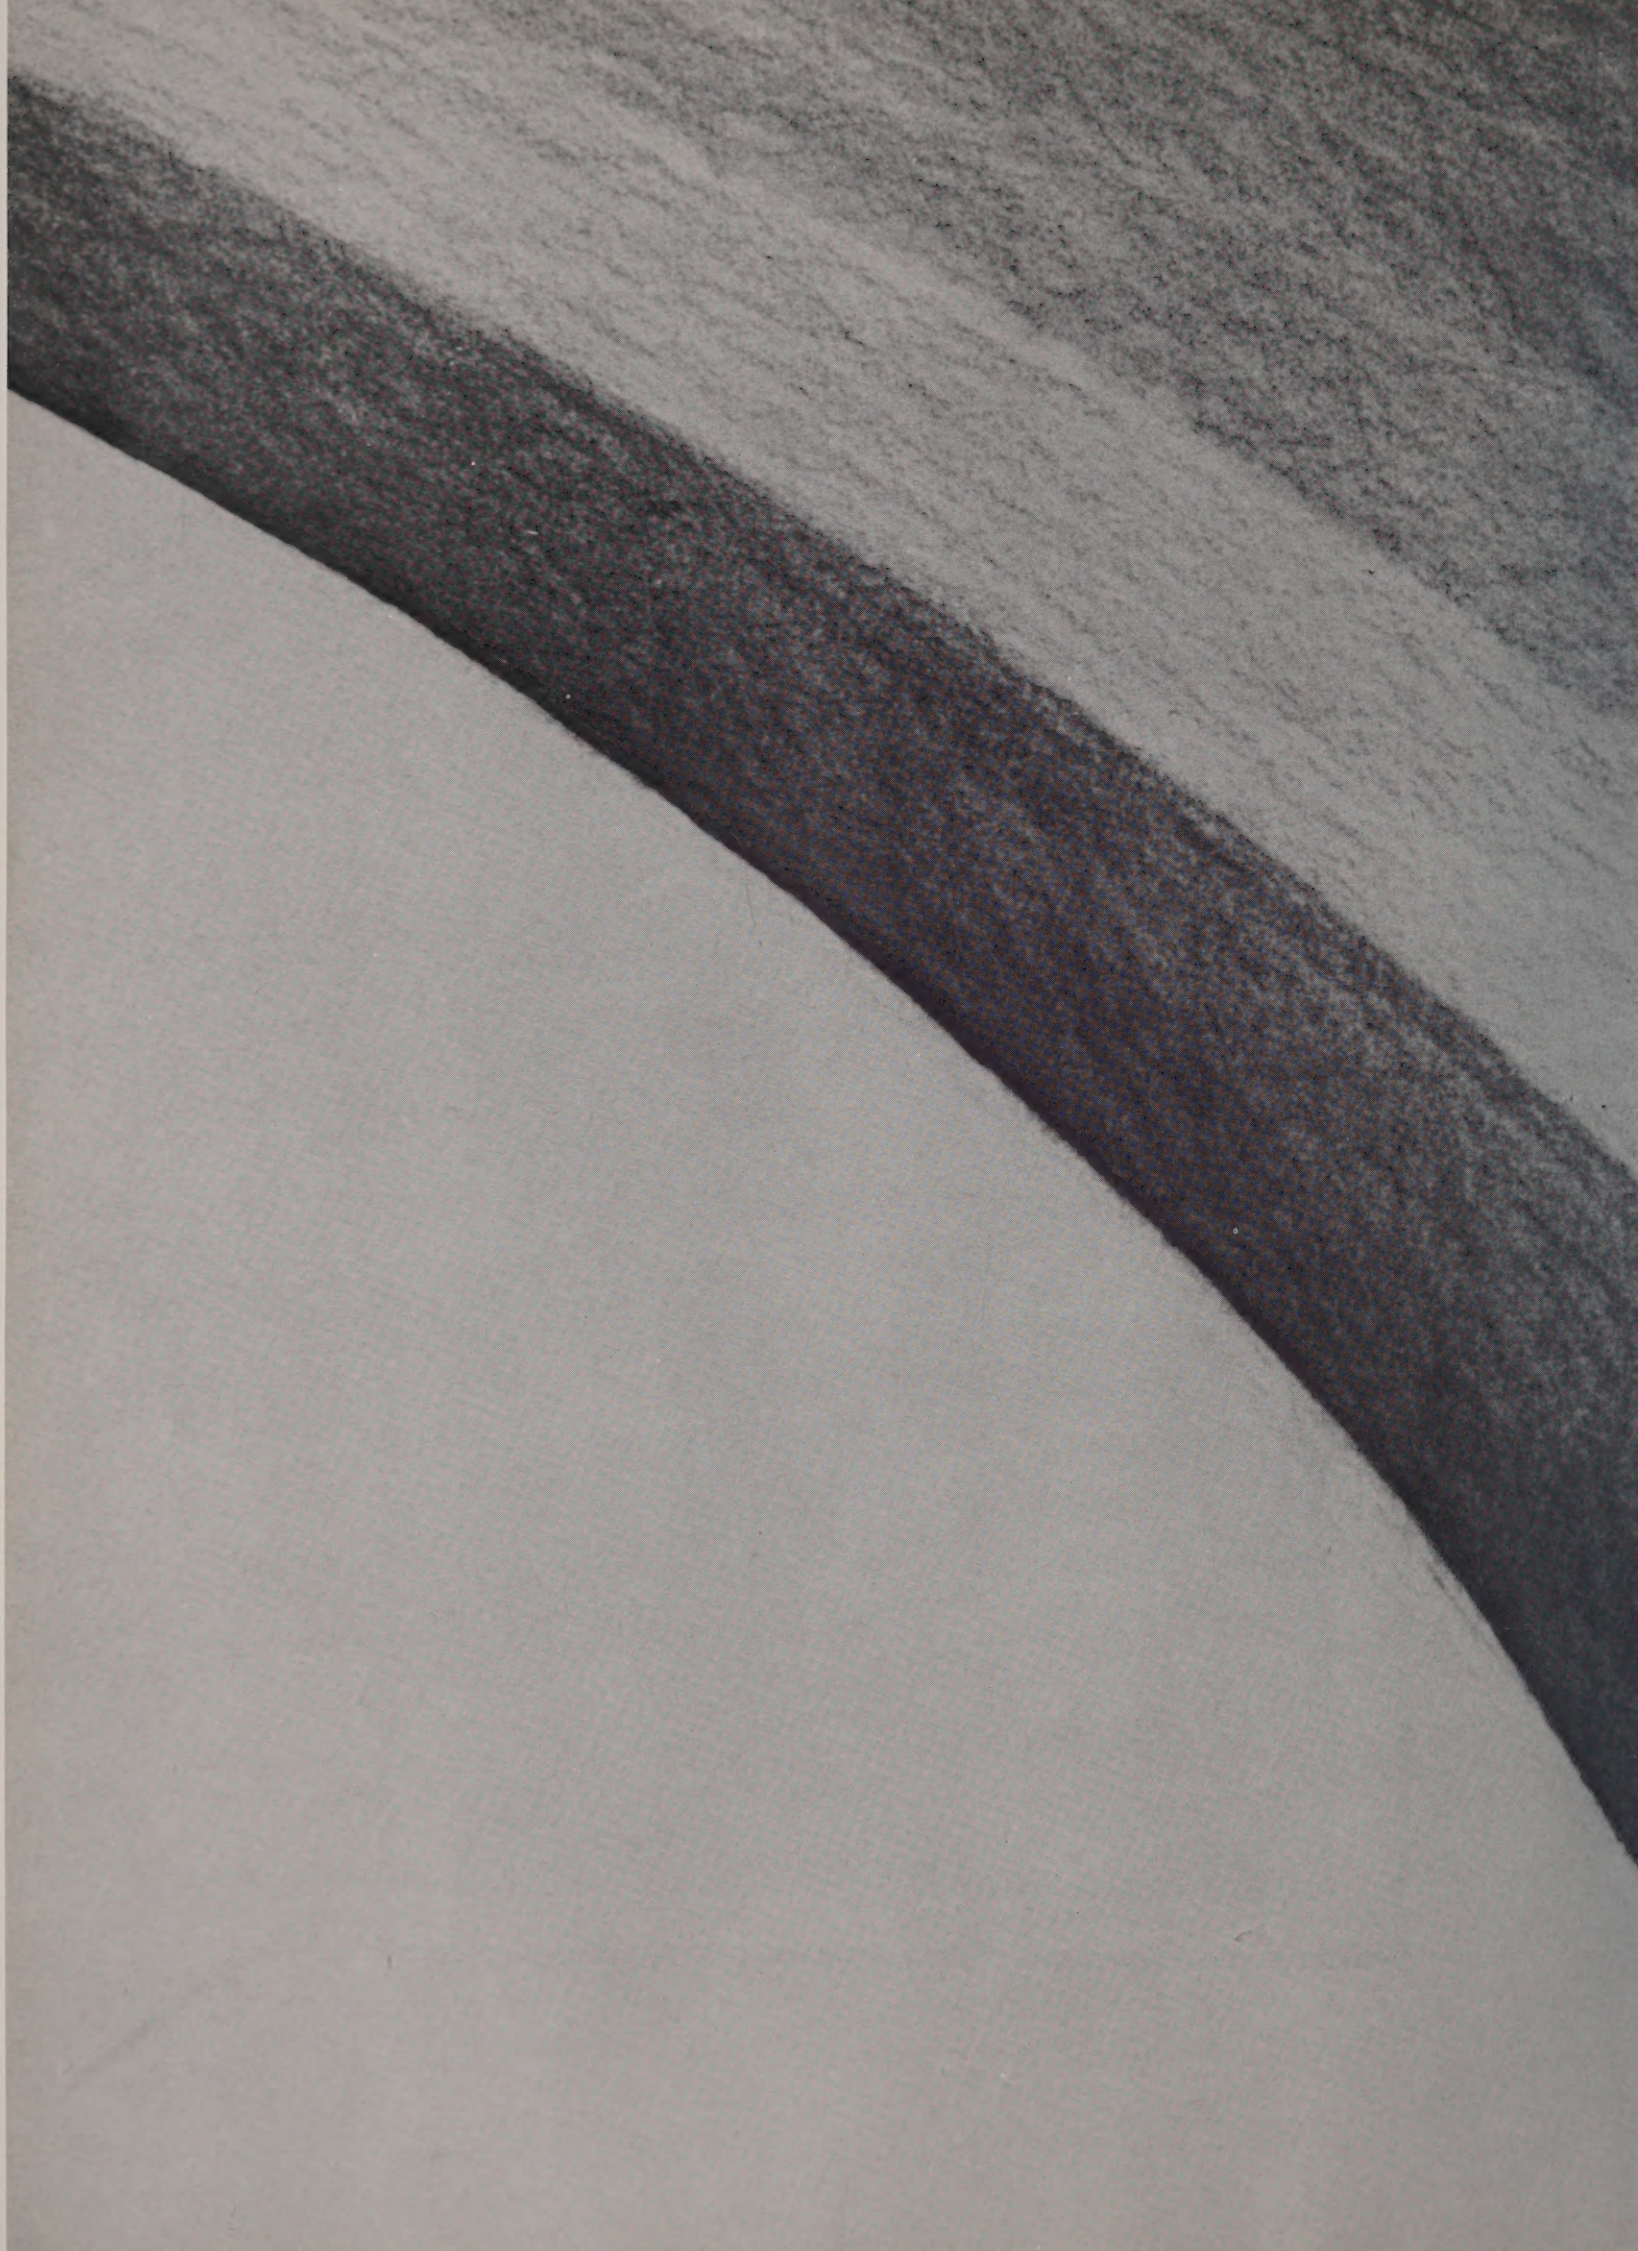
Remember the places where we went, all the love we shared, and the time we spent.
There were things we did and things we said, but no matter what, we could forgive and forget.

But now our love has been put away, God has taken us and wants us to stay.
Many hearts have been broken badly, their parents, friends, and relatives will remember sadly.

They'll cherish their laughter and also their dreams, but some people get hurt, it always seems.

Robin Tullos





ACADEMICS

ADMINISTRATION

On top of the usual problems involved in the routine running of a school, the administration was swamped with the game of musical rooms and teacher cutbacks. The dilemma seemed to be no extra room when the music finally stopped.

On the positive side, plans were underway to give the campus a needed facelifting with new athletic fields, tracks, and new parking areas made ppssible by a federal grant.

GUIDANCE

The sinking S.A.T. scores wese a special concern to Guidance whose job it was to send academically equipped graduates into the lush but costly pastures of higher education.

Mr. Larry Wakeford's study on reasons for the plummeting scores nationwide did little to relieve the concern for a quality high school education at W.H.S.

ART

The art department had an abundance of talent to work with this year and it was kept busy with a full calendar of events.

Seniors planning to continue in art were busy preparing their portfolios with the hope that they would be accepted at the school of their choice.

Numerous awards were received by students who entered their work at the art show sponsored by the Boston Globe. Sally Stanton received a gold key award and had her work sent to New York for competition on a national level.

In May a two–week exhibit of students' work was on display at the Walpole Mall. Dr. Mac Donald, Supt. of schools, presented awards to winners chosen by 4 judges.

BUSINESS

Mr. Raymond Valatis, chairman of the Business Dept. was unceremoniously moved to his new office in the sub–terranean regions of the school where he has become one of the newest members of an underground movement.

The rockbottom office matched the rockbottom profits of the school store that Mr. John Conaty has now pulled out of the red. Three courses are related to the operation of the school store: Intro. to D E. (soph.), Marketing (Jr.), and Merchandising(snr.).

Mr. Valatis has added new equipment to impliment his well–organized program: 2 correcting Selectrix, L–Shaped desks, electric calculators and enough new transcription machines to offer a new course: called Machine Transcription.

OFFICE EXPERIENCE

Selected on a basis of skills, attitude, attendance, and teachers comments,30 seniors this year were selected for the Co-operate Office Experience Program, headed by Mrs. Kelleher.

The students attend school in the morning and in offices in and around the Walpole area in the afternoon.

Students must know how to type, and be dependable, for many of them are secretaries.

Mrs. Kelleher helped the students to find jobs and the students receive credit for the 20 hours a week they put inand are evaluted by the employer.

DECA

D.E.C.A.(Distributive Education Clubs of America) is the organization that WHS' school store is a member of. It is a national group that holds an annual convention during which time various schools and individuals are recognized for their outstanding achievements.

The school store did well this year selling popular items like gym uniforms, T-shirts, mints, stationery, book covers pens, pencils, notebooks, etc.

"Salesperson of the Year" was Kathy Leonard.

HOME ECONOMICS

While it is true that Home Ec teaches the fine art of baking cakes and stitching hems, it goes far beyond those tangibles.

With no discrimination toward the sexes the department emphasizes individual growth of the total person: physical, social, intellectual, and philosophical.

INDUSTRIAL ARTS

Under the innovative direction of Mr. William Casbarra, dept. head, things moved smoothly in Industrial Arts as students hammered and twisted metal, shaped and smoothed wood, and tinkered with small motors that ran lawn mowers and chain saws.

Unfortunately, the print shop suffered its usual woes when Mr. Robert Campbell was compelled to leave at the beginning of the school year leaving print shop students with an unexpected free period. Mr. Carstens took over near the end of the first semester and predicted that it would take him 2 to 400 hours to get the shop in order. He never made it.

LANGUAGE

Mr. Paglari yelled "Arrivedeci" from the window of one plane and a number of French students waved from another heading for Paris. The rest of the language department students were grounded in Walpole, to seek less interesting adventures.

Students who sat dreaming in class usually became dumbfounded when awakened out of their cerebral slumbers by a sudden barrage of German. "Um...uh..." the swollen-eyed student would mutter, or wisely say, "Ich weiss nicht" (I don't know) and go back to sleep (How calmly one could sleep in one of these classes is debatable; our language teachers are well-known for keeping students on a constant alert.

MATH

Among its many changes, the Math Dept. expanded its consumer math courses this year to full–year courses. The department also increased the use of calculators in many of the math courses in the hope that students will be able to handle more complex and complicated problems.

It was also a year of changing teachers in the department. Four of last year's re–signing teachers were replaced by three new teachers: Mr. Kevin Fleming, Miss Eileen Juncewicz and Miss June Oliver. Mr. Tony Greene came up from West Jr. High. The new additions were qualified to teach courses ranging from Algebra I to Honors Calculus.

One of the objectives of the depart–ment was to acquaint students with the metric system in order to prepare them for a national changeover.

MUSIC

The Music Department added several activities to its typically crammed schedule. The marching band dipped and swayed during half-times all the way to the Super Bowl, where they outstepped, if not outclassed, Newton North (complete with tiger). Also on the list of memorabl events?: the Christmas Concert (12/22/76), the Stage Band competition in Stoughton (2/25/77), the Early Spring Concert (3/4/77), the Walpole School Music Festival (4/30/77), Pops Night VI (5/21/77), and the Maine tour in May.

CHORUS & MADRIGAL

The 30–member chorus and Madrigal Singers, under the direction of Miss Gail Berman, had a full season of performances this year.

The chorus sang in the Winter Concert, Spring Concert and Pops Nite VI The highlight of the season involved the chorus in an exchange program with East Bridgewater High School at which time the two choruses sang numbers they had learned throughout the year.

The Madrigal singers began with an all–girl group that sang at the Winter Concert. Some male voices were added second semester. The group performed many concerts of their own both within and outside of the school.

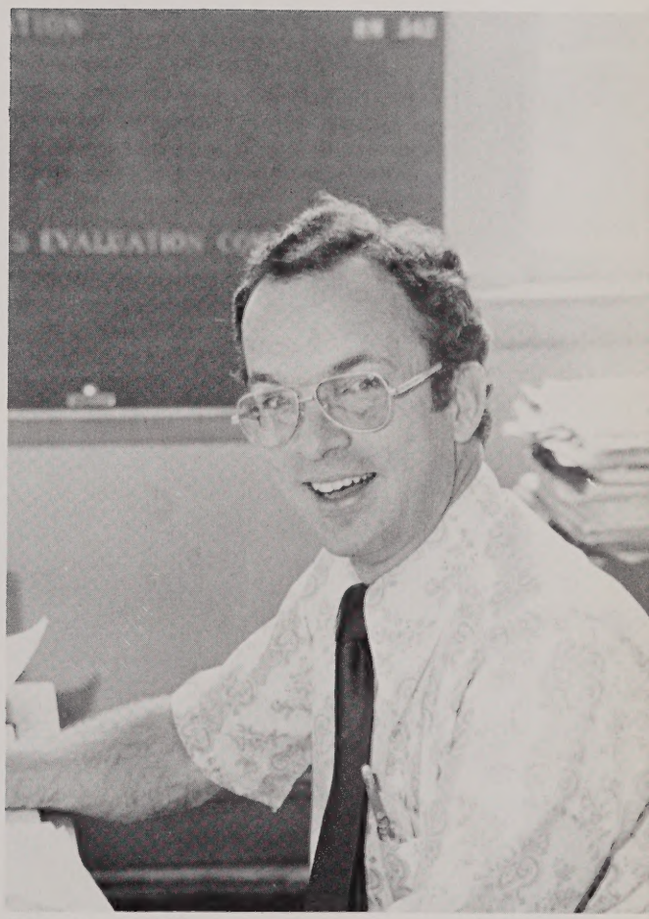
WORK STUDY

The Work Study Program at WHS is a unique opportunity for students to earn while they learn. While learning the skills of a particular job, the student receives a salary and 5 credits toward graduation. This past year 34 students were enrolled in the program (most were seniors).

Mr. Peter Turco, who heads the program, outlines the criteria that makes a student eligible to participate in the program:

(1) The student finds his own job.
(2) The job must be within an 8–mile radius of the school.
(3) Seniors with a need are given first consideration.
(4) Job hours must begin between 12:00 and 3:00 p.m.
(5) Student must put in a 20–hour week, at least.
(6) Student must carry 22 class hours.
(7) Failure in any academic courses means dropping out of the program.
(8) Five absences from school drops the student from the program

The program has been so popular that the administration is considering changing the present restriction of 27 students to "unlimited."



Peter Turco, the man with the most open–ended job in the school, gets a lot of work experience but no credit(s).

MEDIA-NURSE

Though each of the people on this page warrants their own full–page spread, we must simply pay them a quarter–page tribute and pass on.

Media, like the Medea in Greek mythology, scour the dark recesses of Walpole High trying to retrieve the golden fleece resident in projectors, tape recorders, and various other goodies.

Mrs. Elsie Cross, school nurse, has a job totally unrelated to Media except for the fact that she uses her fleece to bandage bruised knees and battered elbows. Throughout the school year she has spoken to the faculty concerning first aid measures that teachers can take when students are injured.

Finally, there is Mr. Edward Rock with his down–to–earth Driver's Ed course. He helps students to keep from getting fleeced in auto accidents.

CAFETERIA & CUSTODIANS

For the famished students at lunchtime there were hot lunches prepared under the watchful eye of Mrs. Lipsett. For students who found getting up early enough to eat breakfast difficult, Mrs. Foley kept her snack bar loaded with fresh juice, doughnuts, and hot cocoa.

Despite the strange color scheme and high noise level, the cafeteria was a haven for those in search of a meal or a munch.

On Thursday, June 16, a Junior Awards Assembly was held in the auditorium to present a variety of awards to juniors who had made some outstanding achievement during the school year of '76–'77.

The program was introduced by Mr. John Shaw, class advisor. Following Mr. Shaw, Mr. Reis, principal, gave out "Perfect Attendance" awards. Principal's citations were than presented to those juniors who, in the principal's estimate deserved some special recognition.

Latin awards were then presented by Mrs. Calf followed by the presentation of athletic awards by Mr. Burke, athletic director.

Academic awards were then presented by heads of departments to students selected for their consistent and outstanding performance in the respective de–partments.

The program was climaxed by the awards given to Becky Shontz and Susan Parente for Outstanding Junior Service, and Outstanding Junior Awards re–spectively.

REBELLION WINS AWARD

Starting out with a $750 debt and and inexperienced staff, the "Rebellion" began the year hoping to put out 8 issues, trying for 7, and ready to be satisfied with 6.

Well, they only put out 5 issues but those 5 were good enough to win them the "Excellence in Typography Award" in the Suffolk University Greater Boston High School Newspaper Awards Contest.

They also overcame their debt and even managed to finish a few hundred in the black, an accompishment which simply cannot be overstated considering that most high school newspapers finish in the "red"

On the strength of these accomplishmentst the "Rebellion" staff of '77–'78 hopes the advance even further in putting out a prize–winning paper that has become financially independent.

RADIO

Walpole's radio station WSRB had its most successful season on the air this year with a new concept in broadcasting, featuring progressive rock and public service oriented programs.

Station manager Charlie Ross, Program Director Joe Marinelli, and assistant station manager Paul Boychuck, along with a competent staff, also broadcast special programming, such as, town meetings, weekly selectmen meetings, live action coverage of Rebel football games, basketball, as well as live remotes from the Village Fair and the Walpole Mall.

A new antenna and better sound quality have greatly increased WSRB's listening audience in the central Norfolk County area.

CHEERLEADERS

With a new coach, seven new girls, and an impressive repetoire of cheers to work with, the cheerleaders proved themselves winners in every way.

Their pre–game and halftime performances were superb, including difficult moves and splits perfected through hours of practice.

Despite Friday night pajama parties and brisk November mornings, the cheerleaders always managed to appear on the sidelines looking bright and cheerful.

The excitement mounted with the success of each Saturday afternoon game, as visions of the Superbowl danced in their heads. The vision became a reality and the girls cheered the Rebels on to a thrilling victory at Boston College.

FOOTBALL

The Rebels lived up to all pre–season expectations by de–throning 1975 Superbowl champion Woburn, opening a 1976 football campaign enroute to to their first Division I Super–bowl Championship.

The offense had an all–star cast with Scott Farnell, Rob Cuomo, and Mike Flynn on the line and in the backfield re–spectively, complementing the senior power of Neil Collins, Dan Petrie, Jim Blumhardt and Rob Smith. Backfield stand–outs were Tom Gravina, Terry Jones, Coley Nee, and Tom Shea.

The unheralded defense came an inch short of being the league's best: All–star leading tackle George Hope, Tim "Meats" Kelliher and John Maenhout as linebackers, All–scholastic Coley Nee in the secondary and All–star Dan Petrie, plus Scott Farnell and Rob Cuomo in the trenches.

First came Woburn, 15–6. Mike Flynn blew it open in the third quarter with a spectacular eighty–yard jaunt off right tackle for a TD. Milton went down easily enough; then came Dedham with an unbeaten streak of eighteen straight games. It stayed at eighteen when the Walpole offense rolled over them to a final score of 9–0 at Turco Field.

The Rebels had set the world on fire: local papers were already talking Superbowl. Then, along came Braintree behind the toe of Kevin Buckley. WHS fans were horrified when three Braintree field goals ruined a number–one state ranking with a 9–6 win over Lee's army.

This one setback seemed to turn the whole team around. The pressure was really on but a sense of team unity hit and the machine moved into high gear.

The new surge began against Norwood whose defense had never been scored upon and they were tied for first place. In the win over Norwood Terry Jones ran 135 yards to capture the First Butch Songin Award.

The next three wins over Natick, Needham and Framingham South were climaxed by the sweet win over Framingham North on Thanksgiving Day.

The Rebels had won their first consecutive championship!

FIELD HOCKEY

The Porker season started early (late in August) beginning with a gruelling week of shaping up at Mearstead Hockey and Lacrosse Camp and a week of practice at home for the jayvees.

A strong team, led by tri-captains June McCarthy, Betsy Beise, and Terry Muldoon, was built out of raw talent and an abundance of team spirit, with only two returning starters and six returning letter winners.

A driving offense was sparked by high scoring scrapper June McCarthy, and a wall of defense, led by the fantastic flicks of All-Star Joanne Flaherty, kept the ball out of our end most of the time.

When the ball did sneak through the line, All-State Terry Muldoon made fantastic saves to keep the Porkers on top.

An unexpected inspiration was sophomore Beth Crehan, whose sheer speed made up for her lack of experience and stickwork.

Although the season ended with a winning record of 8-2-3, the two defeats were fought hard, losing to Braintree in the last 2 minutes of play.

Joanne Flaherty muscles out her opponent.

SOCCER

Although the record show that the soccer team was below .500, it did not indicate how well the squad played. Led by captains Chris Crehan, Andy Brennan, and Chris Carleton, the Rebels played tough soccer all along the line. Except for a few questionable calls and some bad breaks, the Rebels could have been contenders for a playoff spot.

Once again Coach Morris is optimistic about next season. He is counting on new young players and a growing interest in the sport to rectify this year's shortcommings.

GIRLS BASKETBALL

Though the Walpole girls didn't place as well as well as they did last year, they played a significant role in deciding the championship of the league.

Walpole's key role came when they played an exciting double overtime game against top–seeded Wellesley, up–setting them in the final moments of play. Five days later Walpole again defeated Wellesley to prove that the first win wasn't by chance, thus destroying all hopes for Wellesley and giving the Bay State Crown to Norwood.

The J.V.'s, however, managed to outdo the Varsity with an over–all record of 15–3, inspiring hope for next year.

BOYS BASKETBALL

Despite the team's disappointing record of 4–14 there were many outstanding individual performances. Rob Smith , who led the BSL in scoring for 3 quarters of the season, ended up in 3rd in scoring, averaging 20 points a game. Rob was also named to play on the BSL first team All Stars.

Another strong man on the team was Dick Allen whose average of 10 points a game put him in 10th place.

The girls gymnastic's team had a landmark .500 season highlighted by their unprecedented victories over Dedham and Wellesley. The girls proceeded to break records throughout the entire season reaching scores of 76.70, 77.25, 78.70, and 78.85.

In their individual events new records were also established: Joan Groden scoring 7.9 on Floor Exercise, Beth MacDonald scoring 8.7 in Vaulting, and Tri-Capt. Sandy Balduf scoring 6.8 on the Uneven Parallel Bars.

HOCKEY

Walpole's hockey fortunes started off the season with newly appointed coach Kevin Fleming. Through the first half of the season the scrappy Rebels attained a .500 record. Mike Geehan led the Rebel team netting seventeen goals winning him the allstar nomination. The Walpole defense was led by seniors Tom Gravina and Tim Kelliher. Ken Nado and Paul Puopolo backboned the team with outstanding goaltending.

Concluding the season with an 8–2 win over Framingham North the Rebels ended up the season in seventh place.

WINTER TRACK

The 1976–77 winter track team came up with a few surprises for the top teams in the track league this season. For the first time in its history the team defeated Milton by a score of 59– 35

The team also broke two school records: Terry Jones, who set a new record in the 50–yard dash; the other was the team's win over Milton.

The "Unsung Hero Award" was given to Paul Larson for his consistent cheering and enthusiasm.

WRESTLING

Once again the wrestling team went into another season with good individual strength but with an overall lack of team depth.

In an effort to overcome this deficiency a winter youth program is held Saturday afternoon to train prospective grapplers. During summer school also a training period is offered for 5 weeks.

The J.V. team ended up with an 8–10 record while the Varsity had a disappointing 3–15 record for the year.

Varsity, coached by Mrs. Penelope Calf, had only 5 seniors, 2 of whom received letters. The team was headed by co–captains Joanne Flaherty and June McCarthy.

The J.V.'s, coached by Miss Loretta Fahey picked up some good new talent from several sophmores.. The highlight of their season was the tremendous defeat of their arch–rival, Natick.

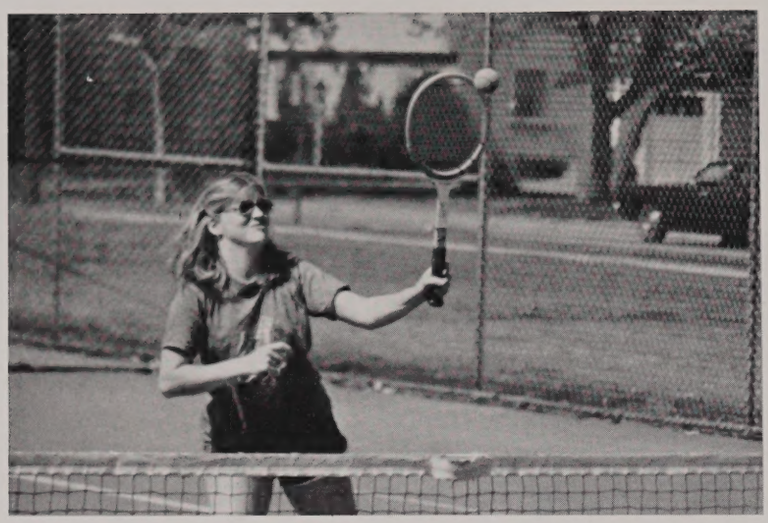
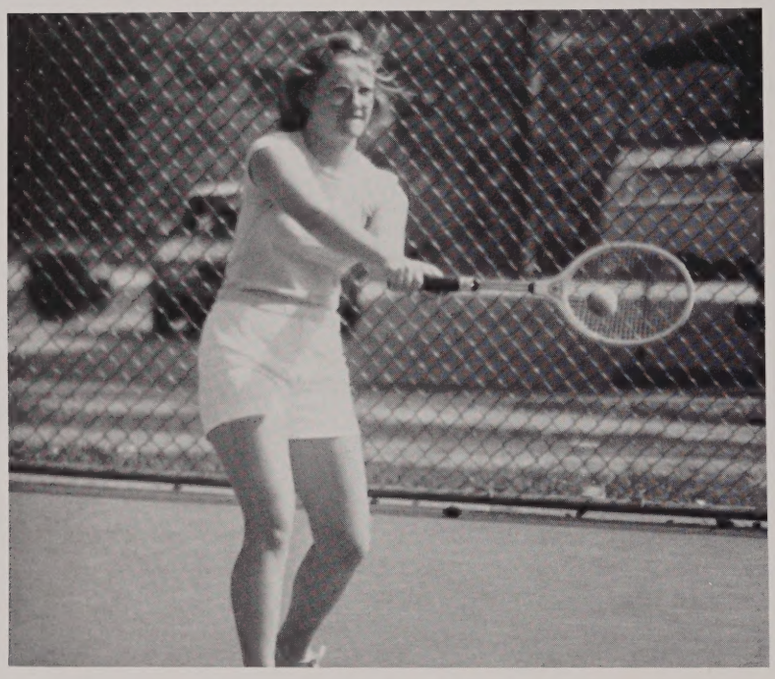
GIRLS'





The team started the season well with several close matches and a victory over Natick. Unfortunately they were unable to repeat that per– formance for the rest of the season.

A major factor in the team's poor performance was the fact that so many varsity players failed to show for matches.

For example, against Fram So 4 of the 7 varsity players were absent forcing Coach Greene to use J.V. girls in varsity positions. They were outclassed by their opponents and lost their matches.

Rainouts (and one snowout) made it necessary to rearrange the schedule which made it necessary to plav as many as 3 matches in a row.

BOY'S TENNIS

The team faced tough competition this year winning only 3 of their 18 matches. Significant victories were those over Norwood and Dedham (see scores).

The record could have been much more impressive if Joel Garcia (letterman in the number 2 singles position) had not missed the first few matches because of illness. Under this handicap Coach Morris had to move up some j.v.'s to varsity spots.

This season's major winners were Vic Bowen (no. 1 singles) and Bob Perry (no. 2 singles).

All of these record–breakers, by the way, were Juniors.

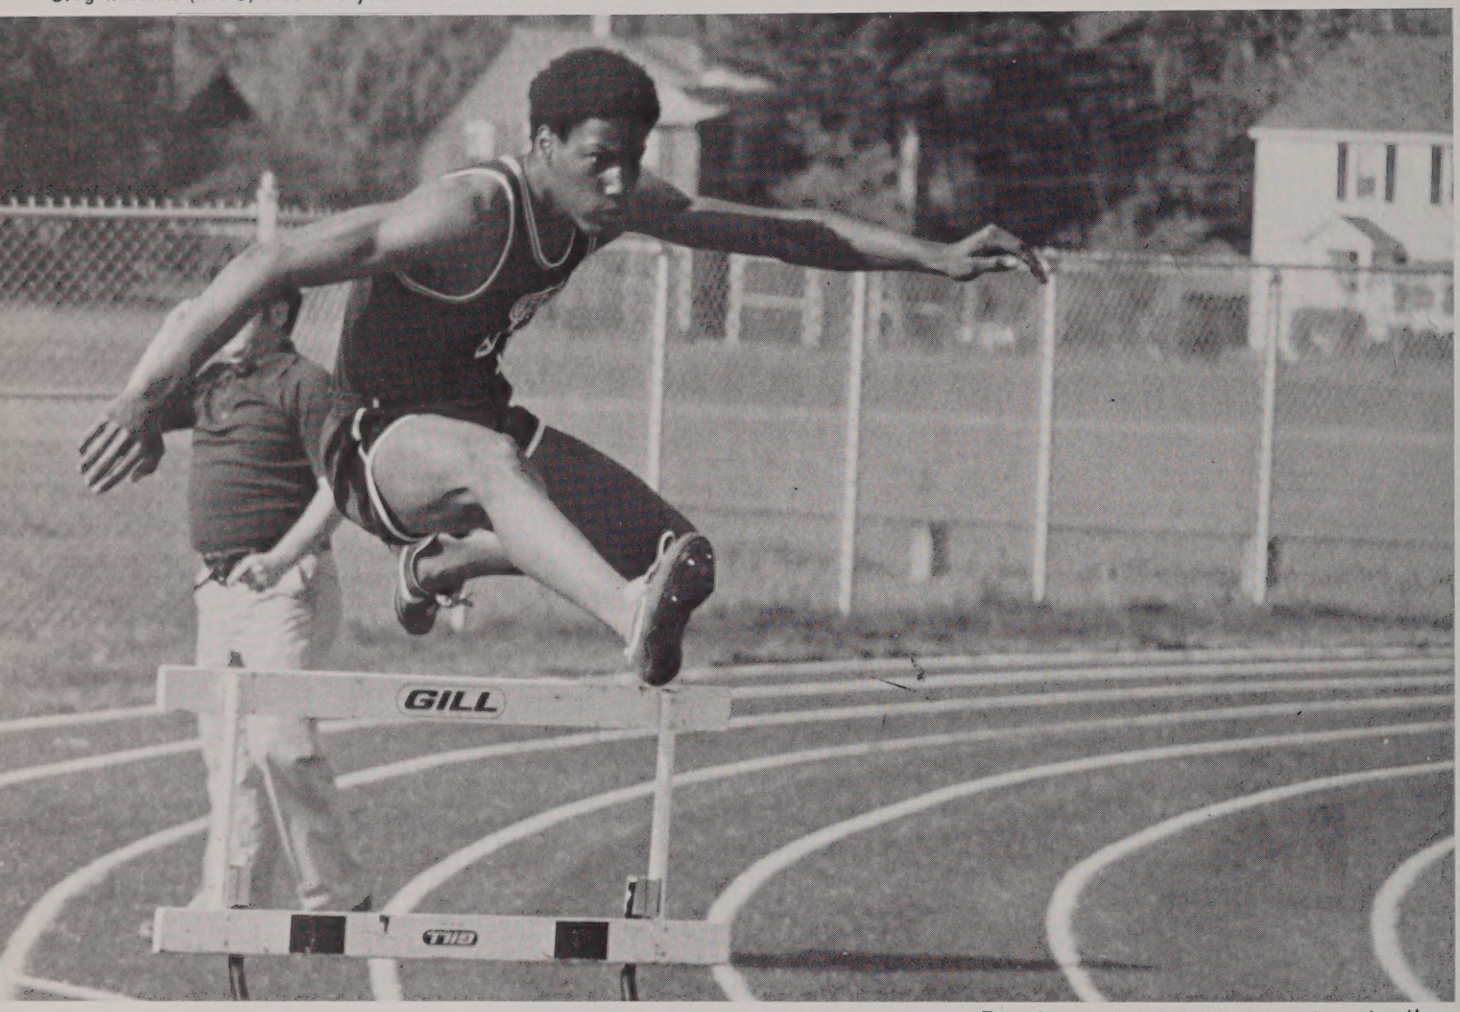
SPRING TRACK

Greg Warman (no. 8) ties 100 yd. dash record

Despite his high hopes for a winning season, Coach Ed Rock had to suffer one of his most disappointing seasons ever. Coach Rock felt that because of the abundance of talent on the team his last year at Walpole would end on a high note. But that was not the case and the team ended with a 1–8 record.

Rock explained the reason for the paradox: individuals failed to show up for practices as well as for the meets. Part of the blame for the apathy, Rock felt, was the fact that WHS didn't have its own track on which to practice.



Eric Carson breaks 330 intermediate hurdles

Dave Lavanchy winning the 880

Despite a poor team showing, individuals broke records: Eric Young, the Bay State record in high jump at 6' 8"; Greg Warman tying Joe Donnelly's 1934 100–yd. dash at 10.2; Eric Carson set a record of 42.0 in the 330 intermediate hurdles. The 440 relay team (T. Jones, S. Gwinn, E. Carson and R. Izzo) broke the relay record of 46.7 by 5 tenths of a second (46.2).

GOLF TEAM

Walpole High's golf team this year consisted of 6 sophomores, one junior and 6 seniors(one of whom was a girl, a first in WHS history). Chris Simpson, who did well this year, is expected to be one of the top contendors in the future.

The team finished with a 3–6 record with captain Frank Clerici leading the way. Captain elect for the 77–78 season was Don Crummet.

This year the team started using a new method called "medal play," switching from the traditional "match play." Medal play is more of a team game.

Autumn Queen Kerry Glynn with her escort Dennis Farretta following the crowning ceremony at the Autumn Queen Dance.

AUTUMN QUEEN DANCE

On Tuesday, October 26, Kerry Glynn was crowned as the new "Miss Walpole High" of 1976–77 at the Autumn Queen Dance.

Mr. Jim Burke crowns the Queen at the Homecoming Game on Thanksgiving.

The five candidates and their escorts were: Tina Bernardi and Chip Upton, Anne Gulla and Robert Smith, June McCarthy and John Maenhout, Joy Youngdahl and Bruce Driscoll, and Miss Glynn escorted by Dennis Farretta.

Candidates for Queen: Anne Gulla, Tina Bernardi, Kerry Glynn, June McCarthy, Joy Youngdahl.

As Coach Lee crowned Miss Glynn he congratulated her with a kiss and gave her a bouquet of roses while those in attendance applauded.

The featured group of the evening was "Boxcar." The song dedicated to the queen and her court was, "Can't You See."

SENIOR CLASS PLAY

The cast of "Scatterbrain" worked hard to make their performance a big hit; however, despite their efforts the crowds both nights were very small and proceeds realized a very small profit.

The play was directed by Mr. Guenter Vilbig and starred Lucille Niro and Cindy Nickerson who played "Dolly" on separate nights.

The plot revolved around Dolly's plight when she becomes deeply involved with a new lover, played by Chris Crehan. Her husband (John Conlon) has been missing and presumed dead for seven years that night. He shows up at the last minute, spoiling Dolly's marriage plans.

Irene Siegler and Kevin Fay had supporting roles. Susan Johnson was the town gossip and Paula Driscoll, Mary MacNamara and Kathy Edgerly followed in her entourage.

BLOODMOBILE

The Student Council sponsored the first Walpole High Bloodmobile on Thursday, Feb. 17, 1977 in the old gym .

65 juniors, seniors and faculty members donated a pint of blood, some of them for the first time.

Members of the Student Council and the Future Nurses' Club helped by taking temperatures, escorting the donors, and working in the canteen.

Mrs. Elsie Cross, school nurse, and Mr. Guenter Vilbig, Student Council advisor, were pleased by the number who participated.

One of Walpole's finest hours: people helping people.

The debonaire approach to temperature control.

The idea is to keep as calm as you can...
on the outside!

Funny...there
was something
there
a minute ago.

See?! It didn't hurt a bit.

You sure you're only taking a pint?

DONKEY BALL

The junior class sponsored a fund–raising donkey basketball game, February 18. Class officers and student volunteers played against the faculty who volunteered. They were: Mr. Shaw, Mr. Joy, Mr. Mailhout, Ms. Juncewicz and her husband.

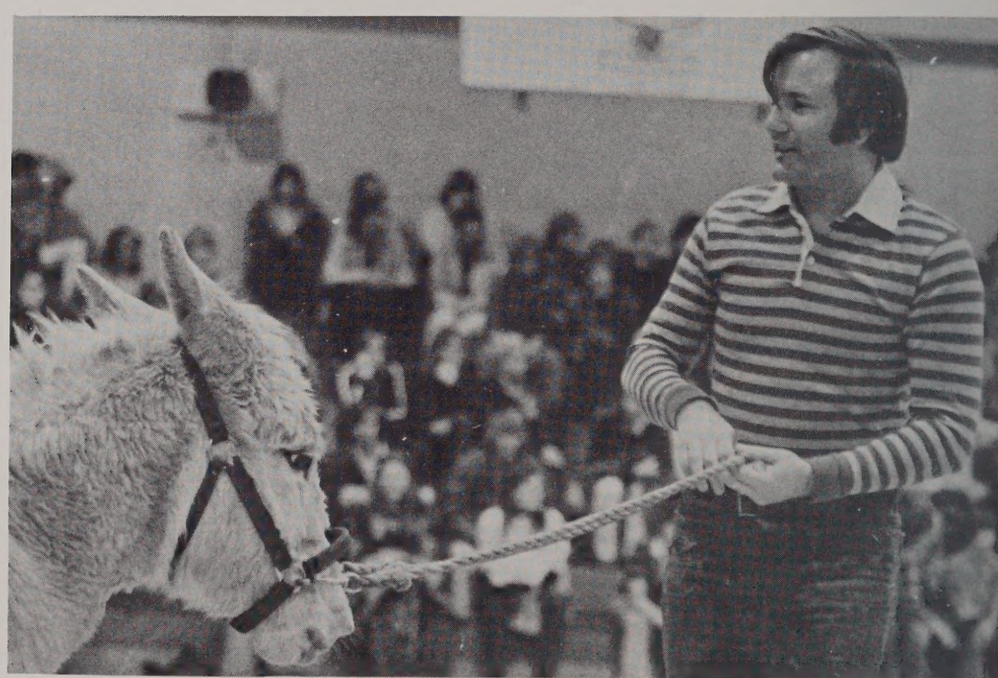
Eight donkeys specially trained for the game were rented for a 50–50 split of the profits from Canyon Brothers Circus in Manchester, New Hampshire.

There were no particular boundaries at all and a shot could only be taken while mounted on a donkey. Two halves were played with ten–minute quarter each half.

The teachers came off the court with a victory of 6–2.

The turnout was good and netted the class $250.00.

Where do you push the button to make this thing go?



O Shaw! What's the magic word to unstick this right guard?

Broom Hilda learns to conserve energy.

Hey ref, how do we manage a jump ball?

BAND COMPETITION

On Saturday, April 29th, bands from neighboring high schools arrived at Walpole High to participate in two competitive categories of concert and marching bands.

The concert bands were scheduled to play at appointed times, between 8:30 a.m. and 12:00 p.m. in either the auditorium or the gym.

Marching bands grouped on Mass. Ave. and waited for their turn to march down Common St. and past the judges located opposite the post office.

During the lunch hour a varied menu was offered from pizza to pop corn prepared by the cafeteria workers.

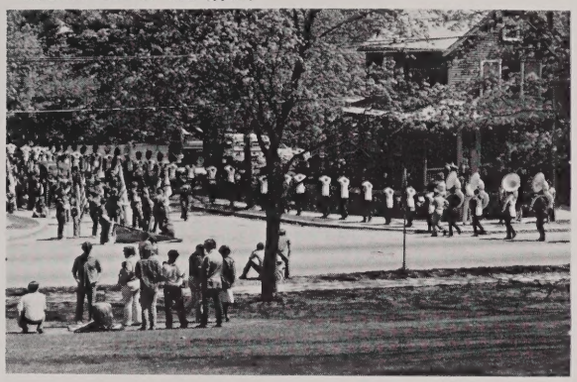
The program was initiated and organized by Mr. Thomas Mills, WHS Music Director.

This unidentified clown added a holiday touch to the occasion.

The pride of Walpole High gets the only A plus rating for its marching band.

Norton drum major adds a touch of class to a red–letter day.

Busses began arriving at 8:00 a.m. to unload band members who would later re–group in either the auditorium or the gym.



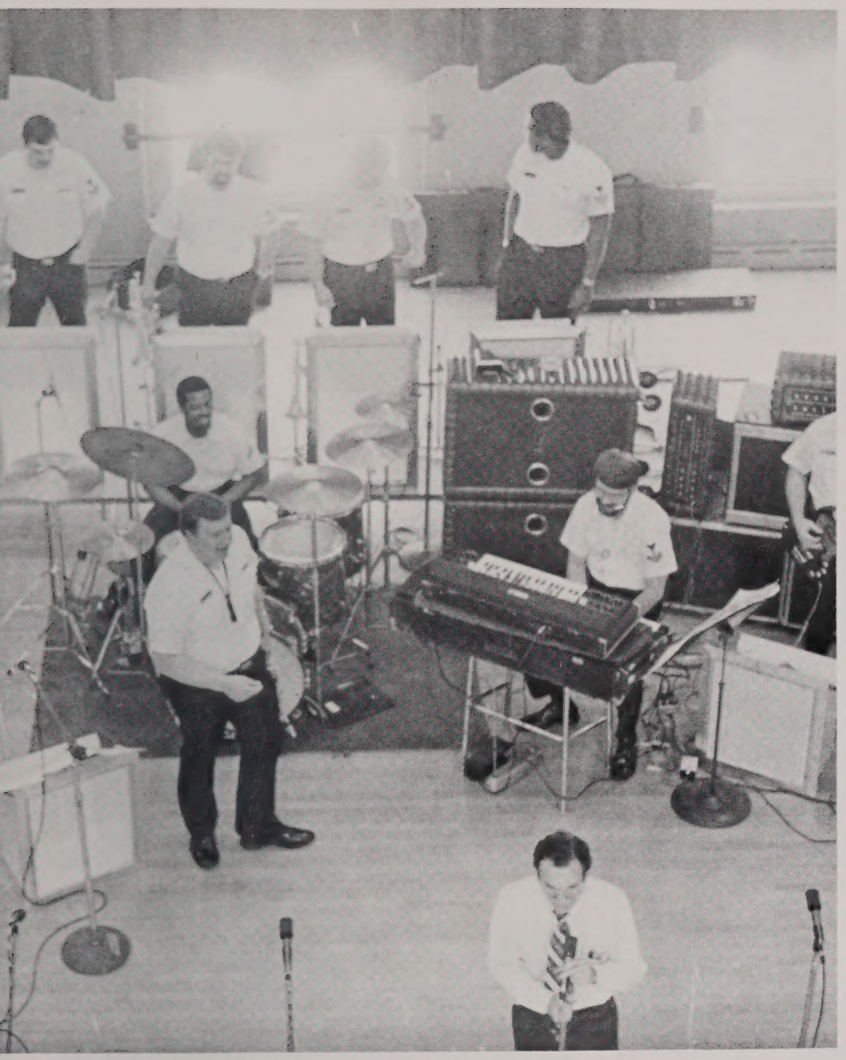
In orderly precision bands line up to prepare for zero hour.

Tension built on Mass. Ave. as band members grew impatient.

Everyone seems to be in step.

Millis placed high in both the marching and concert competition.

NORTHEASTERN NAVY BAND
UNITED STATES NAVY
NEWPORT, R.I.



NAVY BAND

The 16–member Navy Band from Newport Rhode Island failed to get the response they had expected when they played at an assembly here at the school on March 23. To quote the leader during an interview held immediately following the concert, "It was the first time I ever heard 'dead' people applaud."

The band played mostly jazz and rock from the 50's to the early 70's. Each band member was skilled in at least 2 instruments and some even in three. The exception was Ed Rogers, vocalist, who joined the band for vocal experience.

Members of the band spend 80% of ther navy time playing at schools, universities, and shopping malls. Before coming to WHS they played in New York and Cape Cod.

POPS NITE VI

The Sixth Annual Pops Night was held in the WHS gymnasium on May 21st. Mr. Maddox started the show off with a gong, the newest addition to the per-cussion section.

The performing groups were the Concert Band, Chorus, and Stage Band. The band's first and tavorite song was "The Six Wives of Henry VIII" Rich Wakeman.(excerpts only). In this piece a synthesizer was used, played by Diana Ragusa. The next selection,"Bugler's Holiday"included a trio of trumpeters: Steve Mills, Andy Carlson, and Paul Boychuck. The band's final song was"Benny Goodman in Concert."

After a brief intermission the chorus came on, conducted by Miss Gail Berman who presented an outstanding concert with six selections, beginning with "Evert Time I Feel the Spirit." The best song was"Twentiana" which is a medley of songs from the roaring twenties including "I Want to Be Happy" "I'm Looking over a Four-Leaf Clover," "Carolina in the Morning," "Bye, Bye Blackbird," "Charleston" and "Tea for Two."

Before the Stage Band played, state representative Francis H. Woodward presented Mr. Thomas Mills with a citation by the House of Representatives. The citation was in "recognition of Mr. Mills 'outstanding' contribution as the director of the finest music program in the history of the town of Walpole." It was signed by Thomas McGee, Speaker of the House.

Then the Stage Band came on and played a Woody Herman arrangement of "La Fiesta", Then the dancing starttd off with Mr. and Mrs. Mills dancing to "Affie", performed by the Stage Band.

The final number of the evening "Feelings" was dedicated to the seniors.

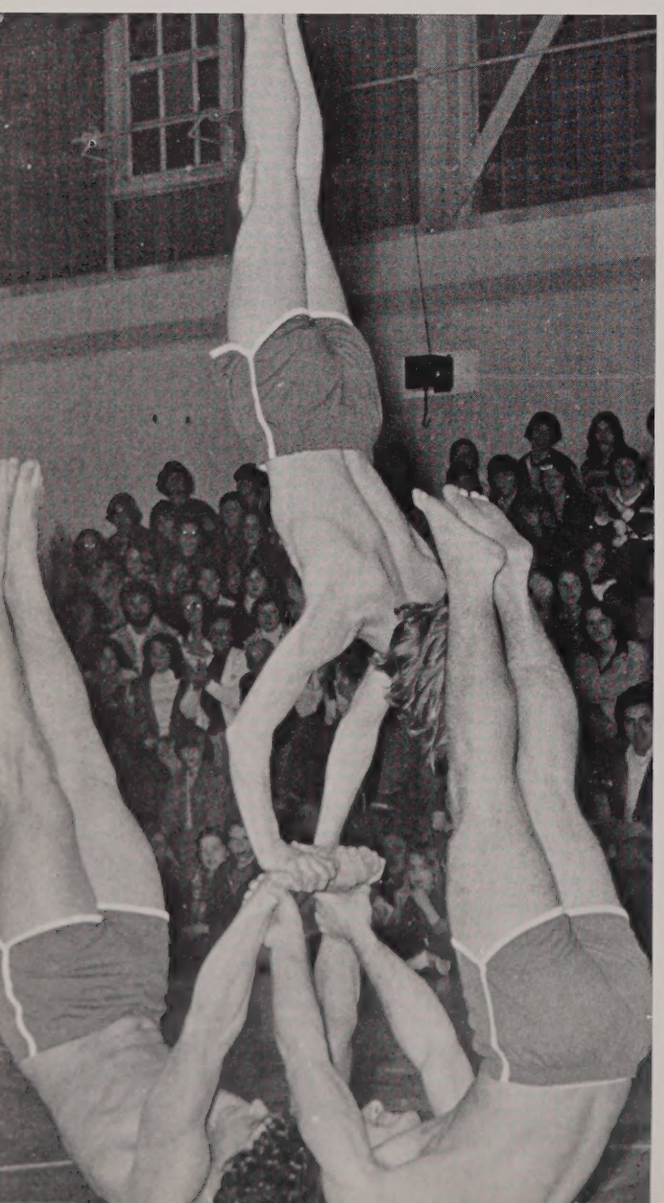
FASHION SHOW

On April 2, 1977, period 3, the Home Economics Dept. put on a fashion show sponsored by the Simplicity Pattern Co., entitled "It's All Sewn up."

Ms. Jo-Ann Pugh, representative for Simplicity and mistress of ceremonies, brought all fashions with her, which included summer and winter wardrobes.

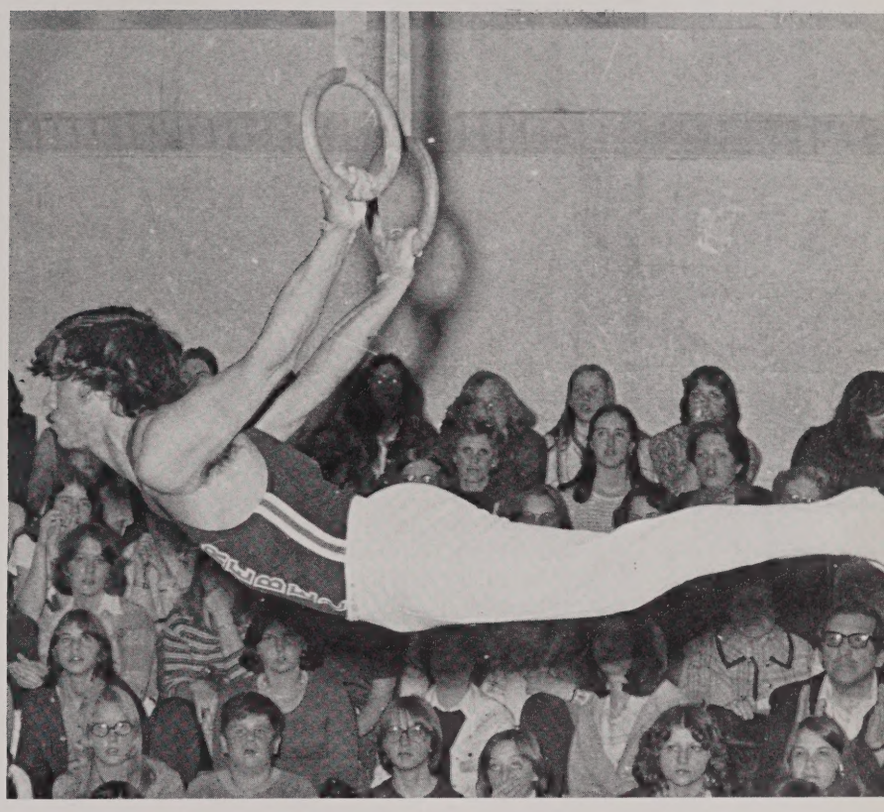
All models for the clothes were W.H.S. students chosen at random.

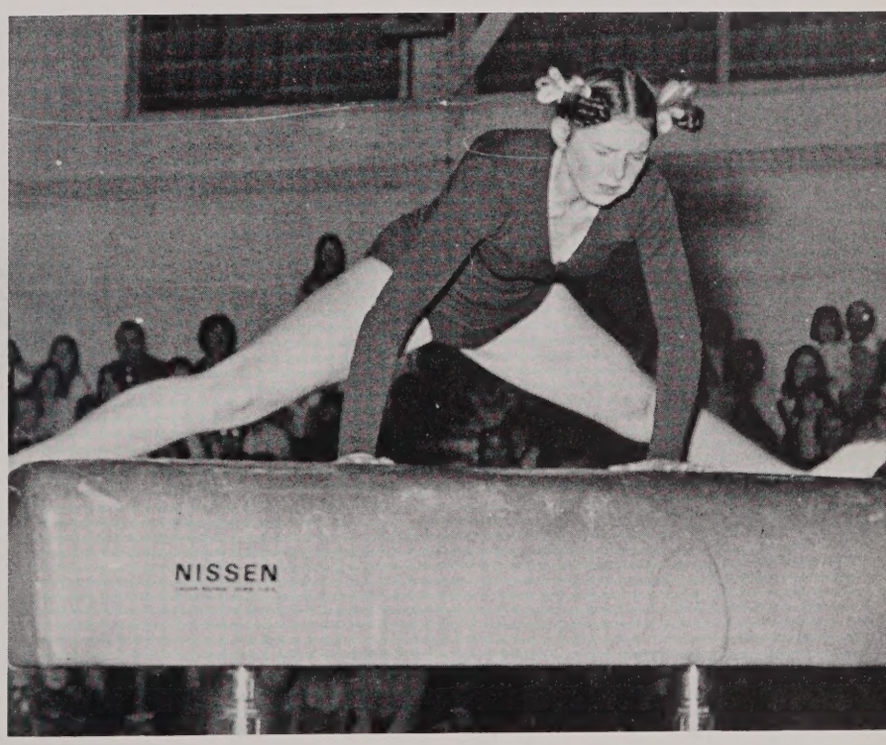
The flowered Archway donated by Gallo's added to the professional decor and transformed the auditorium into a Broadway stage.



REBE

GYMNEASTRADA





With all the pomp and pageantry befitting the Olympic games the WHS gymnastic event was held Friday April 1 in the main gymnasium.

The show was produced under the phy ed department led by chairperson Susan Brainard and James Burke, athletic director. Chris Crehan acted as master of ceremonies.

The program included floor exercises for men and women under basically the same conditions as the olympics. It was broken into 10 basic gymnastic events with some comedy and a tableau that climaxed the show.

SOPHOMORE AWARD ASSEMBLY

On June 8th, the third annual Sophomore Awards Assembly took place in the Walpole High Auditorium. As parents looked on, awards were presented in the following catagories: spring athletics, President's physical fitness awards, Junior Classical League awards, perfect attendance awards, principal's citations, academic department awards, Sophomore Service Award, and the Outstanding Sophomore Award.

Each department picked the student considered to be the most outstanding in that academic area. Department chairpersons presented inscribed bronze medallions to the following sophomores:

QUILL& SCROLL BANQUET

JR. PROM: THE WAY WE WERE

Approximately 150 couples attended the Junior Prom held at the King Philip Ballroom in Wrentham. The theme was, "The Way We Were."

The meal consisted of chicken, potatoes and stringbeans with vanilla ice cream topped with strawberry sauce for dessert.

Many complained about the food and service but managed to enjoy themselves despite the drawbacks.

At about 10:30 Paula Rossier was announced Prom Queen. Judges picked the 5 finalists leaving the final choice of "Queen" to the band.

"Cherish Yesterday, Live Today, Hope for Tomorrow"

GRADUATION

The sun was high and hot behind the Four Seasons Arena. Advisors moved in and out among the graduates who worried, "Is my cap on straight? Where's my partner? We aren't in order you know..." But then suddenly the march in and around the motto began and, surprisingly, the place looked quite impressive for a skating rink. More comments: "That motto shoulda been 'Don't Bother Me--I can't cope.' "Nah-- 'Dazed and Confused.' "

The theme of the honor essays was "The Year 2000." Charles Ross led off with "Changing Life Styles." As if on cue, the sound system started to die. Carolyn Johnson, speaking on "The Role of Women," struggled along, Eva Galezewski ignored the whole problem of a dead mike and ploughed on through her topic "Education." No one heard a word she said.

About this time someone had a flash of genius and stopped the exercises to send for the school's portable mike. The band played a few well-worn songs. John Klobucher delivered his essay on "The Graduating Class: Year 2000" from the penalty box, and the band played on .

Mike . . . Career Goal: to initiate a coup detat which will topple the existing government on Mars into submission, allowing me to form a dictatorial government . . . Aim: to write, produce, direct, and star in my own movie . . . "Leap before you look," "Oh, wow!" . . . I like: life, liberty, and the pursuit of happiness, hard rock . . . I don't like: a certain class which shall remain nameless, human frailities, Town of Walpole, dirty dogs, clean mud, fresh mouths . . . Good Times: talking with people, playing chess, taking pictures, in essence all that has transpired from 1973 - 1977 excluding a certain class which shall remain nameless . . . until we meet again.

MICHAEL WOHLER
33 Federal Street

Wolhs . . . Career Goal: get out of Walpole . . . Aim: to be out of here . . . "No way" . . . I like: period 5, Suzy . . . I don't like: no bucks, hours . . . Good Times: camping trips, weekend trips, YES concert, Scabby Commando.

TERESA WOLFE
32 Riverview

Terri, Fuzzy . . . Career Goal: Find out what I'd like to do and do it . . . Aim: when I'm old to be able to look back on my life and know it was all worthwhile . . . "You Guys" . . . I like: being away from the crowds, Friday nights out, long vacations, Chicago, John Denver . . . I don't like: barking dogs, homework, Geometry, memorizing Physiology, Massachusetts accidents, misquotations, Sax lessons, working Friday nights, current events quiz on Friday . . . Good Times: band parties, trip to Glen Burnie '76, June 11, '76, July 4, '76, 50's Dance '75, Band taking place in Quincy, beating Norwood '75 and '76, sophomore year at Palmer, skipping all the time, but never getting caught . . . Stage Band 3, 4, Marching Band 2, 3, 4.

CONGRATULATIONS CLASS OF "77"

MEN—WOMEN

Some of the best college students are veterans.

Let's face it. Not everyone wants to step right into college after high school.

Maybe you'd rather wait a few years. To travel, to learn a skill, to find out what you can do, to mature.

For you, today's Army can be a meaningful step in educational development.

We offer challenge. Physical and mental. We offer hundreds of job-training courses to try out for. We offer a choice of location. Stateside or abroad. And we offer one of the best benefit packages anywhere.

And if you decide to start college while you're in, we'll pay up to 75% of your tuition and fees for approved courses.
